

Directorate of Information Technology & Support System
University of Kashmir
Hazratbal, Srinagar-190006, Kashmir, J&K (India)

No.: F (Initiative-Disabled) ITSS/24
Dated: August 17, 2024

The Directorate has installed a ramp and elevator at the New IT Innovation Park, Directorate of IT & SS, to enhance accessibility for physically challenged students within the Directorate and other physically challenged students across the University.

This initiative reflects our commitment to creating an inclusive environment where all students can participate fully in academic and extracurricular activities. The ramp and elevator will facilitate easier access to facilities, ensuring that physically challenged students can navigate the premises with greater ease and dignity.

We believe that by making these enhancements, we are not only complying with accessibility standards but also promoting equal opportunities for all students. The Directorate is dedicated to continuously improving our infrastructure to support the diverse needs of our student body.
